

Class of '64, 60th Reunion - 6/14/24
ATTENTION: CLASS OF 1964

We are approaching the 60th anniversary of our graduation from Isaac Litton High School. We on the Reunion Committee are excited to be working on this important event and want to be sure we reach as many of our classmates as possible with a reservation form and all the details. We will be sending out emails to those of you who have provided one to us and will mail via USPS to those for whom we have no known email. Please take a few minutes to be sure we have your current information by going to the website at www.isaacclitton.com and click on the Classes tab, then click on our class, 1964. Scroll down to your name to check your information. Any changes can be sent to Kay Rayner Cunningham via her email, kayc1107@comcast.net, or phone her at (615)788-0060.

We look forward to seeing all of you there.
